Pleasure-Way

ONTOUR 2.0 | ONTOUR 2.2

THE PLEASURE-WAY LEGACY

For more than forty years, Pleasure-Way Industries has been guided by one defining goal: to build motorhomes of lasting quality and craftsmanship. Family-owned and proudly Canadian since 1986, we continue to handcraft each motorhome with care, precision, and a steadfast commitment to excellence.

We do not mass produce. Every coach is built one at a time by skilled artisans who take pride in their work and uphold the standards set by our founder, Merv Rumpel. This dedication has earned us one of the lowest warranty claim rates in the RV industry and the trust of owners across North America.

We remain true to our roots while embracing innovation that enhances reliability, comfort, and performance. With each new model, we carry forward our tradition of craftsmanship, creating motorhomes built to inspire confidence, built to endure, and built to last.

LUXURY COMES **STANDARD**

At Pleasure-Way, our commitment to quality is unwavering. Every motorhome we build reflects a legacy of craftsmanship, precision, and pride. To achieve this, we partner only with trusted suppliers who share our pursuit of excellence and reliability. The result is a motorhome that stands apart, built with components selected not for their popularity, but for their proven performance and long-term value.

CORIAN® SOLID SURFACES

This impact resistant material is non-porous, stain-resistant, and easy to clean. Rest assured, Corian® keeps its good looks and easily survives daily wear and tear.

TRUMA VARIOHEAT FURNACE

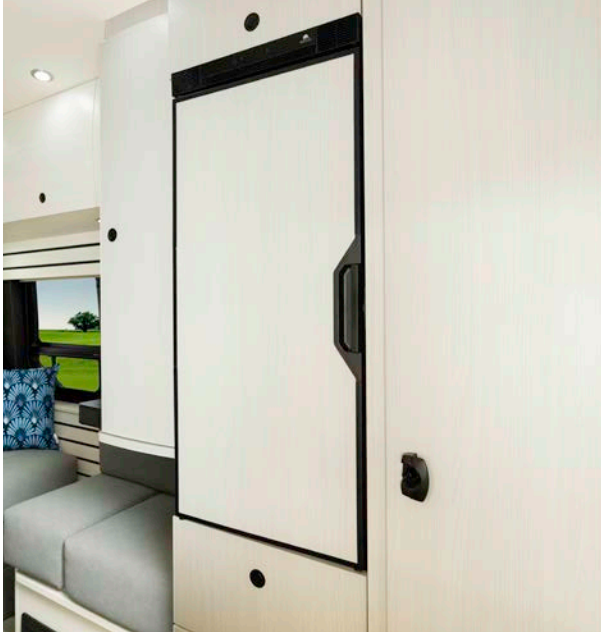
Three automatic output levels, intelligent fan control, near-silent operation, high airflow, and three stage burner system combine to heat your coach quickly and efficiently.

XANTREX™ 3000 WATT INVERTER/CHARGER

Provides power to the TV, microwave, induction stove, A/C, and 120 VAC receptacles when you're not plugged into shore power or running the generator.

ONAN® QG 2800i 2.8 KW GENERATOR

Offering greatly reduced noise and vibration levels, improved fuel efficiency, and better performance, this propane generator is a reliable, and remarkably quiet power source.



TRUMA AQUAGO® COMFORT PLUS WATER HEATER

The 60k BTU stepless burner, recirculating waterline, and mixing vessel deliver hot water on demand, at even temperatures.

10" TOUCHSCREEN CONTROL PANELS

The dual 10-inch touchscreens offer centralized access to lighting, climate, and power management, combining advanced technology with the simplicity of an easy-to-navigate interface.

12V COMPRESSOR FRIDGE

The 12v compressor refrigerator delivers exceptional cooling efficiency with minimal power draw. Engineered for durability and quiet performance, it keeps food chilled in all climates.

ECO-ION 600Ah LITHIUM BATTERIES

The high-performing, fast-charging and maintenance-free coach batteries offer superior power storage for hassle-free use of your favorite devices.

LAGUN TABLE MOUNT SYSTEM

A cantilevered support arm offers adjustable height, eliminates the typical center post, and swivels 360° at both the table top and support arm.

STAINLESS STEEL GALLEY SINK

The large 13"x17"x6 ¾ galley sink is complemented by a high-arc faucet with pull-out sprayer. This combination makes filling and cleaning large pots much easier.

OPTIONAL FEATURES

REAR DOOR ROLL-UP SCREEN

If you love fresh air and open space, you'll appreciate our precision-fitted rear roll-up screen. The heavy-duty nylon canvas and fine mesh keep insects out while allowing a clear view and steady airflow. A double-zipper system provides easy access to the under-sofa storage, and the flame-resistant screen rolls up neatly and tethers out of sight when not in use.

SIDE DOOR ROLL-UP SCREEN

Enjoy the beauty of the outdoors while prepping a meal without the worry of insects. A unique magnetic closure system allows for easy access in and out without the need to zip the door open and closed. The super-fine mesh screen is constructed from heavy-duty, flame-resistant nylon canvas, resulting in a long-lasting, reliable feature. When the screen is not needed it can be rolled up and secured out of the way.

GO POWER!® SOLAR PACKAGE

Extend your off-grid adventures with the Go Power!® Solar Package. Available in 200-watt (Ontour 2.0) or 300-watt (Ontour 2.2) options, this system provides clean, reliable energy to recharge your coach batteries and power your 12-volt and 120-volt systems through the inverter. Enjoy greater freedom and flexibility without relying on shore power or running the generator.

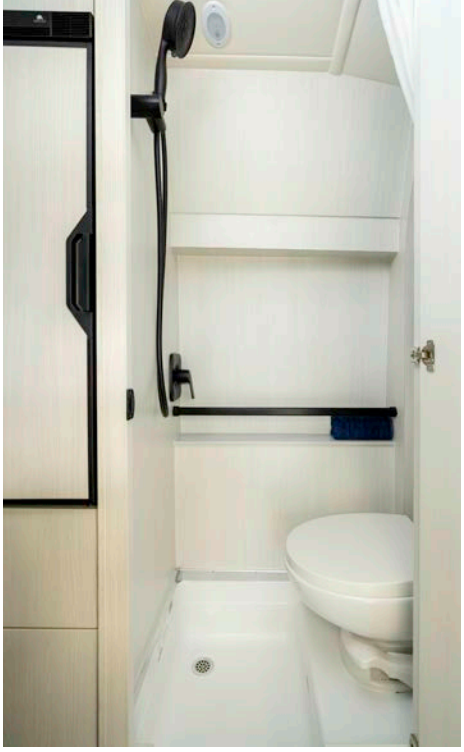
ONTOUR 2.0

FORD TRANSIT 350

Compact, agile, and expertly crafted, the Ontour 2.0 is designed to bring big comfort to every adventure. Built on the Ford Transit 350 chassis with a 3.5L EcoBoost® V6 engine, this 19'8" motorhome combines exceptional drivability with premium craftsmanship. Its intelligently arranged interior makes the most of every inch, offering a full galley, private wet bath, and a power sofa that easily converts into a 70" × 72" bed.

Despite its smaller footprint, the Ontour 2.0 is fully equipped for extended touring. Dual 300Ah Eco-Ion® lithium batteries, a 3,000-watt inverter, and integrated solar power provide reliable energy for off-grid comfort, while hand-crafted cabinetry, Corian® solid surfaces, and Ultraleather® upholstery ensure a luxurious, residential feel.



LAGUN TABLE MOUNT SYSTEM

Enjoy greater flexibility in how you dine, work, or relax. Multiple Lagun® table mount locations allow you to reposition your table throughout the coach, creating convenient setups for meals, lounging, or productivity.

POWER SOFA

Switch effortlessly between lounge and sleep mode with the touch of a button. The power sofa converts into a spacious 70" x 72" queen bed, offering exceptional comfort for both day and night use.

PULL-OUT PANTRY

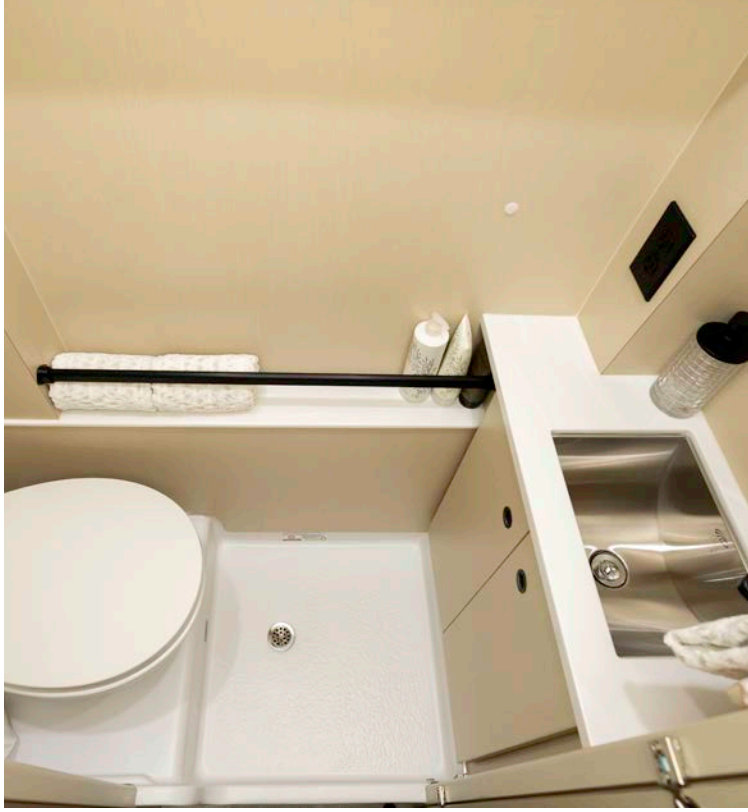
Keep cooking essentials organized and within easy reach. The pull-out pantry glides smoothly for quick access and closes flush to maximize galley space, combining smart storage with every-day convenience.

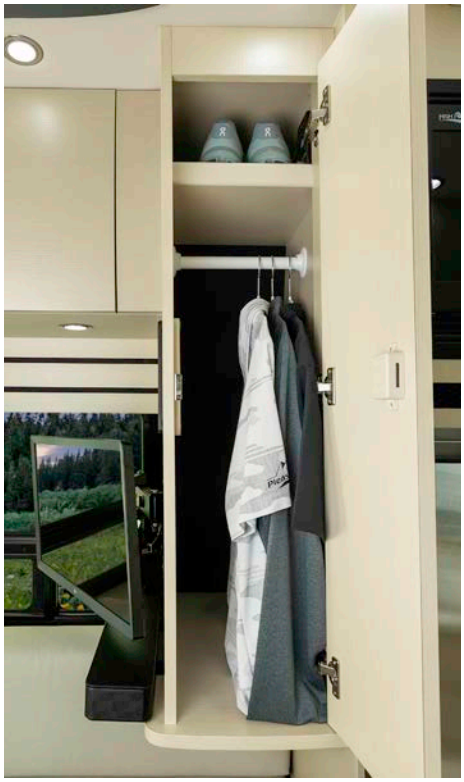
ONTOUR 2.2

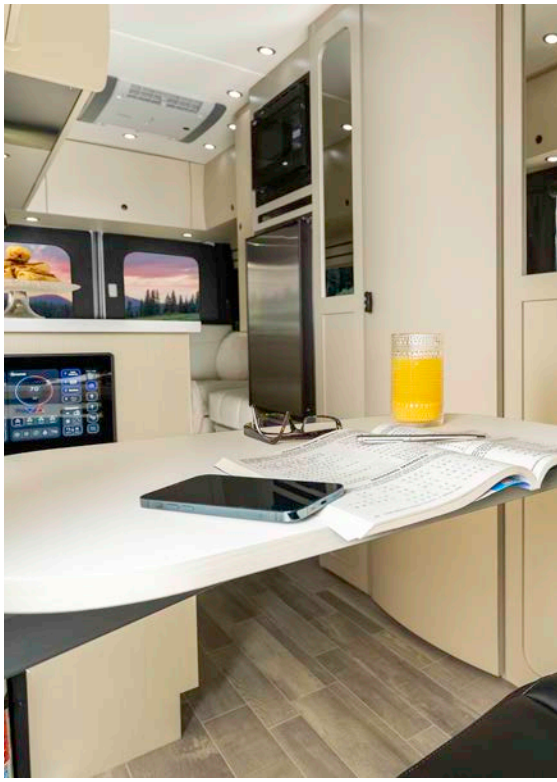
FORD TRANSIT 350

The Ontour 2.2 is a spacious 22' motorhome built on the Ford Transit 350 chassis. Its extended length allows for a larger galley, an expanded rear living area, and a full-size wet bath. The power sofa effortlessly converts into a 70" × 76" bed, creating a relaxing retreat that feels open, bright, and thoughtfully designed.

Premium materials and advanced systems elevate the experience on every journey. Dual 300Ah Eco-Ion® lithium batteries, a 3,000-watt inverter, and integrated solar provide reliable power wherever you roam. Corian® countertops, handcrafted cabinetry, and Ultraleather® upholstery add a touch of modern luxury, while the Ford Transit's advanced driver-assist technology ensures confident handling. It's built for those who want the freedom of open-road travel with the comfort and sophistication of a true touring coach.







TRUMA AVENTA ECO AIR CONDITIONER

This 13,500 BTU rooftop air conditioner offers enhanced quietness and efficiency, featuring auto cooling and night mode. Now can be powered by coach batteries.

FULLY EQUIPT GALLEY

Corian® countertop and sink cover, 13"x7" stainless steel sink, induction stove, double-door regrigerator/freezer, microwave, and generous storage.

PRIVATE WET BATH

A large private bathroom with a medicine cabinet, Corian® countertop, stainless steel sink, under sink storage, china bowl toilet, handheld showerhead, and fully lined with waterproof laminate.

THE PLEASURE-WAY LIFE

Traveling in a Pleasure-Way motorhome offers unique advantages over traditional RVing in larger Class A, Class C, or towable trailers. Whether you're a seasoned full-timer or just beginning your RV journey, something has drawn you to the Pleasure-Way lifestyle. Along the way, you'll create lasting memories, forge new friendships, and collect stories worth sharing.

PLEASURE-WAY
PATHFINDER

The Pleasure-Way Pathfinders are a group of passionate owners and ambassadors who share their real-life experiences with our motorhomes. They help others discover what it's like to travel, live, and explore in a Pleasure-Way by sharing stories, photos, and honest insights from the road. Each Pathfinder represents the Pleasure-Way community's spirit of adventure, craftsmanship, and connection. They offer an authentic look at the lifestyle that comes with owning a handcrafted motorhome.

OWNER'S CLUBS

The Pleasure-Way owners' clubs are proudly operated by fellow owners and enthusiasts just like you who share a deep passion for RVing. We believe that meeting new friends and sharing adventures is an important part of the Pleasure-Way experience. A lovely group of owners have created East and West based group who actively participate in rallies and group meet-ups!

WARRANTY

All Pleasure-Way motorhomes are backed by our Five Year Freedom Warranty. Pleasure-Way Industries Ltd. warranties the specified new Pleasure-Way Motorhome free from defects in material and craftsmanship, on portions manufactured by Pleasure-Way Industries Ltd. under normal use and service.

Coverage - 5 years or 60,000 miles / 100,000 kms (limited warranty)

PLEASURE-WAY PERSONAL ASSISTANT

We understand that it takes time to get completely familiarized with your new motorhome and all of its features. For this reason, you will be designated your very own Pleasure-Way Personal Assistant for the first 90 days of ownership!

Your P.A. is a specialized and knowledgeable member of the Pleasure-Way team who works right here in our manufacturing facility. Upon receiving the warranty registration of your new motorhome, your P.A. will provide you with their contact information. You will now have access to your Pleasure-Way P.A. six days a week, via a dedicated, toll-free phone number or email.

Your Pleasure-Way P.A. will be there to assist you in all matters pertaining to the operation of your Pleasure-Way motorhome. After your 90 day period expires, you will have all the confidence and knowledge to enjoy your new Pleasure-Way for years to come!
